On the left, a sidebar lists navigation options: 基本信息 (Basic Information), 联系方式 (Contact Information), 企业风采 (Enterprise Appearance), 企业认证 (Enterprise Verification) (which is highlighted with a red border), and 微信管理 (WeChat Management). The main content area is titled 'Enterprise Verification' and includes a sub-section 'Upload Materials' (上传资料). A note at the bottom of this section states: 'Please note that our review only checks if the company has a business license, because we do not verify the authenticity of the company.' Below this are three steps: 1 提交营业执照 (Submit Business License), 2 等待审核 (Wait for Review), and 3 审核结果 (Review Result). A green checkmark icon indicates that step 3, '审核通过' (Review Passed), has been completed. A message at the bottom says: 'Congratulations, your submitted business license has passed the review!'.
